# Dawensky Thermildort

Senior Business Risk Analyst at Digicel Group | Data Analyst |  
Port-au-Prince, Département de l'Ouest, Haiti

## Summary

Experienced Business Risk Analyst with a strong technical background in Database Management. Currently working at Digicel and pursuing a Specialized Graduate Diploma in Database Administration, I help organizations secure revenue and optimize decision-making through data analysis.

Core Competencies:

- Risk Analysis & Compliance: Fraud prevention, revenue assurance, and pre-launch product validation.
- Business Intelligence: Designing interactive dashboards (Power BI, Excel) for strategic monitoring.
- Data Management: Data cleansing, consolidation, and script automation using PL/SQL and Python (Pandas).
- Tools & Tech: Oracle, MySQL, SQL Server, Azure Databricks.

As a Computer Science Valedictorian (2016-2020), I am driven by complex problem-solving and process optimization. Feel free to reach out to discuss Data Science, Risk Management, or potential collaborations.

---

## Experience

Digicel Group  
3 years 7 months

Senior Business Risk Analyst  
April 2026 - Present (3 months)  
Port-au-Prince

- Collaborated with cross-functional teams to drive business growth while implementing robust fraud prevention measures.
- Monitored all revenue aspects to ensure financial integrity and compliance.
- Provided leadership and mentorship to team members, fostering a culture of continuous improvement.
- Conducted thorough product validations pre-launch and post-launch to enhance overall quality and performance.

Business Risk Analyst

December 2022 - April 2026 (3 years 5 months)

Département de l'Ouest, Haïti

## Ministère des Affaires Étrangères

### Database Designer

September 2021 - November 2021 (3 months)

Collaborer avec des concepteurs seniors pour concevoir, mettre en œuvre et maintenir des bases de données. Effectuer la saisie et le nettoyage de données pour assurer leur exactitude et leur exhaustivité. Aider à la gestion efficace de l'information et à la prise de décision.

## CECACHE

### Data Entry Specialist

January 2021 - March 2021 (3 months)

Saisir avec précision de grands volumes de données papier en format électronique (Microsoft Excel). Identifier et corriger rapidement les erreurs de saisie pour maintenir l'intégrité des données. Développer un grand souci du détail, des compétences en gestion de données et en résolution de problèmes.
